**ORDER A HOT ROCK DINNER AT WHITE ROSE BAR & GRILL
AND SUPPORT BEAUTIFUL YORK**

York, PA __ For every Hot Rock dinner ordered during the month of August, White Rose Bar and Grill will donate \$1 to the Community Foundation's Beautiful York Program, which was created to help beautify and maintain the City of York. Tom Sibol, owner of White Rose Bar and Grill, wants to make this a regular program at his establishment as a way to benefit different organizations within the community.

"White Rose Bar and Grill has a long history of supporting the community," says Susan Barry, president of York County Community Foundation. "We are thrilled that the Beautiful York Program will be the first beneficiary of this new program, and we know that other downtown organizations will share our delight as the program expands."

Mr. Sibol and Jeremiah Anderson, General Manager at White Rose, decided to participate in the promotion when they noticed a growing trend of local businesses finding unique ways to give back to the community by utilizing their own services. "We were interested in finding new and unique ways to support downtown York and thought this would be a great opportunity to give back and also promote the restaurant. It's really a win-win situation," said Mr. Sibol.

Information about this program and how people can become involved will be available as soon as the details are worked out.
